

IM02B Environmental Policy
(ISO 14001:2015)

We have established this environmental policy to be consistent with the purpose and context of our organisation. It provides a framework for the setting and review of environmental objectives in addition to our commitment towards the following:

- protecting the environment, including the prevention of pollution;
- ensuring sustainable resource use, climate change mitigation, protection of biodiversity and ecosystems;
- conforming to applicable legislative, regulatory and compliance obligations;
- continually improving our environmental management system and to enhance environmental performance.

We have produced environmental objectives which relate to this policy and they can be found in document R15 IMS Objectives.

This policy is communicated to all interested parties as well as being made available to the wider community through publication on our Company Noticeboard.

Cokebusters Limited commits itself to and endorses the need to protect the environment.

Cokebusters Limited also acknowledges and accepts its responsibility to conduct its business in compliance with applicable environmental laws and regulations.

To accomplish the foregoing, the Environmental Representative has the responsibility to: -

- Establish an internal review procedure to identify environmental impacts of all functions within the organisation and to assess levels of compliance with applicable laws and regulations pertaining to the environment.
- Develop a program aimed at safeguarding the quality of the environment and achieving compliance.
- Establish and maintain appropriate training programmes designed to make every employee competent to carry out his or her responsibilities with respect to this policy.
- Report annually on regulatory compliance, issues and improvements.

Cokebusters Limited has a vital interest in ensuring a clean and healthy environment. We rely on high quality products to facilitate the function of our work process.

Cokebusters Limited also takes an active responsibility to conduct its processes in an environmentally friendly manner at all times.

With advances in technology, changes in laws and regulations, Cokebusters Limited will continue to improve systems, reduce waste and efficiently utilise resources to meet the environmental challenges of the next century.
